

CEMEN TECH STATIONARY MIXER

ON-DEMAND CONCRETE

The Cemen Tech stationary mixer from Antec is the perfect solution for pre-cast operations, with a wide range of uses from ornamental concrete, panels and vaults to modular paving, utility structures and more. This unit offers:

DURABILITY – Suitable for any location and on any type of job site.

ON DEMAND USE – Mix exactly what you need, no waste.

FLEXIBILITY – Unlimited concrete applications and admix options.

CONTROL – Quality, quantity and schedule.

DESIGN - Heavy-duty box design for proper support and easy relocation.

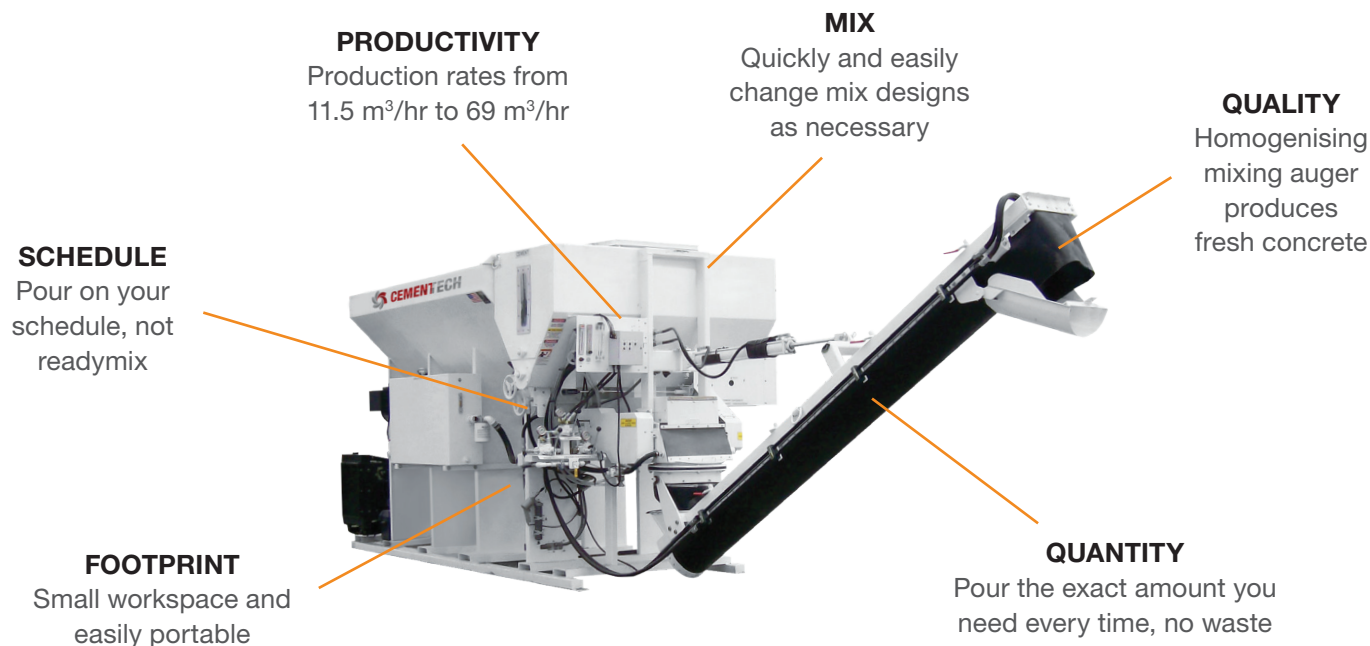

PORTABILITY - Compact units fit any location and even the largest units can be loaded and moved at any time.

SUPPORT – Exceptional support and back up.
